2. Each Club shall host one weekend fixture per season requiring the 1st Tee to be reserved for up to three hours. The only exception to this will be for new Member Clubs who may be allowed to use a Bank Holiday Monday date in their first season only.
3. Match Postponements. If any Club is forced to postpone a scheduled fixture, they are required to give at least 14 days' notice to the Secretary and agree a rearrangement date that does not clash with existing fixtures. The penalty for failing to comply shall be loss of fixture and a deduction of 3 league points.
4. Match Abandonment. Once play has commenced the Host Club Official shall have the absolute right to suspend play and / or abandon the match. In such an event the result will be calculated upon the number of holes completed by the final playing match group in the fixture. NERGA / INTER points will be awarded as normal 8pts for 1st place down to 1pt for 8th place. If any game has not completed 6 holes, then the entire fixture shall be declared void.
5. In all cases of abandonment attempts to rearrange the fixture shall be made to fulfil the fixture and create revenue for the Host club. A rearranged date must be offered within one month of abandonment. However, the rearranged fixture date must be acceptable to all Clubs in that League. If one or more Clubs cannot support the rearranged date the fixture will be deemed void.
6. All matches will be played in Stableford format off the WHS handicap allowance. The handicap index range for eligibility for NERGA is 14.9 to 28.0 and INTER 7.0 to 14.9. All players must be in this range when they are first registered as a team player in a match in the current NERGA / INTER season. Once the player has played one NERGA / INTER match in the season they will be eligible to

play for the remainder of that season even if their handicap index falls below 14.9 or 7.0, they will play off their new adjusted handicap. Players with a handicap greater than 14.9 can play in an Inter event but will be limited to a handicap index of 14.9.

7. NERGA / INTER match starting times to be between 9.30am - 12.30pm. Starting times to be determined by the Host Club.
8. NERGA matches will be played off Yellow Tees at 8 / 9 minute intervals in 3 balls. Some 2 balls maybe necessary at the front to balance total playing numbers.
9. INTER matches will be played off White Tees at 8 / 9 minute intervals in 3 balls. Some 2 balls maybe necessary at the front to balance total playing numbers.
10. Each team will consist of 8 players the best 7 scores counting for the team total, the 8th score may be zero if the 8th player did not attend the event. If two or more teams are tied after taking the 8th player score into consideration, the best individual score will be used to determine the finishing position. If the best individual score is the same for the tied teams, then the 2nd best individual score will be considered. Comparing individual scores will continue from 3rd through to 7th player to determine the winner. If all scores are exactly the same, then the teams will be classed as being in a tie and will be awarded the same number of League points.
11. Any Club fielding a team short of one or more players will be deducted 1 NERGA / INTER point. A visiting club shall compensate the host club if they do not supply a full 8-man team. In the event that the player is not available to attend then the club will nominate a replacement ensuring all Clubs have a representative in the NERGA / INTER Individual Trophy Final.
14. NERGA / INTER Club Championship.
