

## How to log in to Register Players

In order to register players for a NERGA event a club representative has to log on to the NERGA Web site.

Follow the following steps to log on:

1. Select the “Log in” option on the menu (The Log in button is on the far right hand side of the Menu bar).
2. On the “Log in Page” Club reps need to enter their Username and Password
3. When successfully logged in, the button on the top menu will change to “Logout”

Only club reps that are on the NERGA contact list will be issued with a Username and Password.

All contacts for a club can enter their players for an Inter or Rabbits event

Passwords will be issued 2 weeks before a clubs 1<sup>st</sup> event of the season.

Contact Iwan Owen ([Iwansliw@yahoo.com](mailto:Iwansliw@yahoo.com)) if new club reps are required
